MISCELLANEOUS DEPARTMENT.

MYSORE GAZETTE OFFICE.

Bangalore, dated 9th July 1923.

CIRCULAR.

To

All Treasury Officers.

Has the honor to state that although the annual subscription for the *Mysore Gazette* has been enhanced by Government in G.O. No. E. 1310-70- P. & S. 37-22-1, dated 22nd August 1922, published on pages 217-219 of Part I of the *Mysore Gazette* dated the 24th August 1922 and although the revised rates of subscription are being notified for general information in the Compiler's notice appearing in the first issue of the *Gazette* each month, several Treasuries are still collecting subscription at the old rates from private parties instead of receiving the new enhanced rates, with the result that this office has to enter into unnecessary correspondence with intending subscribers regarding the correct rates of subscription and much avoidable delay occurs in the supply of *Gazette* to such subscribers.

It is also observed that, though the concession formerly enjoyed by Patels, Shanbhogs and Shekdars of getting copies of the *Gazette* at half rates has been withdrawn in the above Government Order, some Treasuries have been collecting only half rates from such persons and that unnecessary correspondence has also resulted thereby. The attention of all Treasury Officers is therefore drawn to the revised rates of subscription and the other changes introduced by the above Government Order, extracts of which are reproduced below for ready reference, and they are requested to issue needful instructions to their Offices for the recovery of the correct amount of subscription from intending subscribers.

Extracts.

"5. The rates of subscription have to be increased as a consequence of the increased cost of Printing and Stationery. Government are therefore pleased to direct that the rates of subscription to the *Mysore Gazette* be revised as shown hereunder:—

	Rates as revised.		
	Rs.	a.	p.
I	1	8	0
II	1	8	0
II-A	0	12	0
III	1	8	0
IV	2	4	0
V	1	8	0
VI	3	0	0

9. Copies of the *Gazette* are at present supplied at half the scheduled rates to Patels, Shanbhogs and Shekdars. Government do not see any reasonable ground for continuing this concession as all important orders with which they are concerned will be communicated to them departmentally. The concession of supplying copies of the *Gazette* to members of the Representative Assembly at half the scheduled rates will, however, be continued."

B. PUTTAIYA,

Offg. Compiler, *Mysore Gazette*.
